DOGS ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the AKC or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete.

Condition of the Dog. Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. The state of Texas requires that dogs must be vaccinated against rabies by 4 months of age. Additionally, when traveling with a dog, have in your possession a rabies vaccination certificate that was signed by the veterinarian who administered the vaccination.

STAGING AREA, HANDLER'S BRIEFING, AND WARM UP INFORMATION

The Staging area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The handler briefing will be done individually at the start line. During the Handler's Briefing the judge will explain if there is an off-leash option, number of hides, maximum height of hides and maximum time for the search.

The club shall designate a warm-up area. One labeled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers. The warm-up area is not for training or relieving of the dog.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. Search Area Conditions: Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area.

Spectators - will be permitted to observe searches only at the discretion of the judge. If allowed any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Indoor crating will be available. Crates may be left overnight; however, HPKC will not be responsible for any lost or damaged items left at the show site. Dogs may not be left overnight.

There are exercise areas around the building. **PLEASE DO NOT USE THE LANDSCAPING TO POTTY YOUR DOGS. PLEASE DO NOT LET YOUR MALE DOGS PEE ON THE BUILDING.** There are fields all around the school. Please respect the boundaries to protect the exterior search areas. Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Disposal sites will be available at various locations around the show grounds.

PARKING

Due to the location of the exterior search areas, sections of the parking lot may be blocked off. Please respect these areas. There is parking on the front of the building away from the exterior searches.

HANDLER DISCRIMINATION DIVISION

Handler Discrimination classes are titling classes in which the targeted scent is that of the handler themselves. Handlers are required to provide their own scented articles in a plastic bag, for the Novice class, one cotton glove or cotton sock, for Advanced, & Excellent, cotton balls or cotton swabs. Three qualifying scores are required to earn titles in each class.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A **New Title rosette** may be awarded to dogs finishing a title.

HIGH IN TRIAL (HIT)

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, Buried), and qualify in each are eligible to win **High in Trial**. One High In Trial winner is chosen per difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC. Teams winning High In Trial will earn a Rosette.

HIGH COMBINED DIVISION (HCD)

If a club chooses to offer the High in Trial (HIT) award and is also offering Handler Discrimination classes, they must also confer the High Combined Division (HCD) award. Only teams who participate in the same difficulty level in all elements plus Handler Discrimination, and qualify in each, are eligible to win High Combined Division. The High Combined Division award is determined by adding a team's faults across all classes. The team with the fewest faults will be declared the winner of the High Combined Division. The High Combined Division award is not recorded by the AKC.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here:

<http://images.akc.org/pdf/rulebooks/RSW001.pdf>

Exhibitors MUST check-in EACH day they are entered.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

SPECIAL COVID 19 INFORMATION

Clubs, officials and participants are required to follow State and local guidelines that apply to the area where the event is held.

NOTICE TO EXHIBITORS

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club, and its agents, employees, etc. and HPKC, will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club and HPKC reserve the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club and HPKC or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, lame, or barred from competition by the action of the Trial Committee.

Dogs pulled after closing because of injury or other medical conditions are not eligible for a refund.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

At the Judges discretion, some classes may run concurrently.

RINGSIDE - Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: Check-in sheets will be posted at the trial site.

ARMBAND STICKERS ARE NOT REQUIRED: pursuant to Chapter 3, Section 29 of the Regulations for AKC Scent Work, (amended November 2019) the club will not be requiring the use of armband stickers.
