Check-In and Measuring Info...

All agility dogs are required to have an Official Jump Height Card and must be able to present it if asked. Don't forget to bring your height card in case someone asks for it.

Our judge is Not a Volunteer Measuring Official (VMO). Unless an AKC Rep is present (not expected), there will not be a Measuring Official at this trial. Measurements will not be official -- it is only to make sure you are in the correct jump height for this weekend. All exhibitors who do not have a permanent height card or temporary (yellow) measurement form must be measured before running (unless you're jumping 24"). Measurements will be taken all day between classes. It is the exhibitor's responsibility to have their dog measured prior to running.

Check-In

ARMBAND STICKERS NOT REQUIRED

THANK YOU!!!!

Because of the low entries at this trial
We will be starting each day at 9:00 a.m.

We are happy to share with you that we have a new **Clip N Go teeter!**
SPOTC is always concerned for the safety of the dogs entered in our trials
and feel that this teeter will be a safer addition to our equipment.

We will be utilizing the **AGILITY GATE APP**

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders remotely. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring.

The access code is 1010

Course maps will be posted on the Agility Gate App each morning prior to the trial.

In the meantime, go here for more information about how to download and use it.
